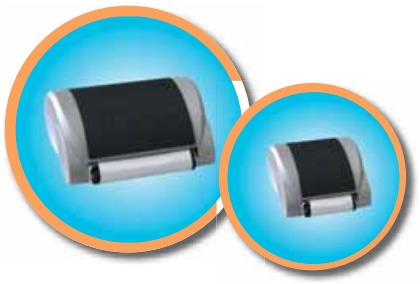
Welcome to Xyron

The Xyron product is versatile, easy to use and practical. They are the tools you will wonder how you ever managed without. Xyron is perfect for practical tasks, making it easier to express your creativity.

Portable Professional

Our Portable Professional line is a new 'game changing' range created to provide a safe alternative to spray adhesive, which contains many harmful chemicals and it is inherently messy. Our new Portable Professional range is non-toxic, easy to use and requires no ventilation. Perfect for the creative professional at home or in the office!



Create-a-Sticker

The simple and easy way to apply permanent or repositionable adhesive. Requiring no heat, electricity or batteries, you simply place your item in the feeder and turn the handle or pull to apply the adhesive. Model 150 makes stickers up to 1.5" wide, Model 250 makes stickers up to 2.5" wide, and Model 510 makes stickers up to 5" wide. Perfect for children and for use in small crafting projects such as card making.

Creative Station

We have two sizes in this highly versatile range. Model 510 fits paper up to 5" wide, and Model 900 can accept paper up to 9" wide. Both machines have six different cartridges, and don't require heat, electricity or batteries.

Cartridges

Acid-Free Permanent Adhesive – applies Acid-Free Permanent Adhesive to one side
Acid-Free Repositionable Adhesive – applies Acid-Free Repositionable Adhesive to one side
Double Sided Laminate – laminates on both sides
Laminate/Acid-Free Permanent – applies laminate to one side and Acid-Free Permanent Adhesive to the other
Laminate/Acid-Free Repositionable – applies laminate to one side and Acid-Free Repositionable Adhesive to the other
Laminate/Magnet – applies laminate to one side and magnet to the other

Tools, Adhesives & Laminates

A wide range of handheld products that will make those practical and creative projects easier. Our popular products include adhesive and laminate options in innovative, easy to use applicators and dispensers. The range includes adhesive runners, laminating pouches that do not need a laminator, and magnetic tape.

Portable Professional

Xyron's Portable Professional Products simplify the presentation of creative ideas and output. Now, high-quality presentations can be made at the desk or on the job without the use of messy glues or harmful sprays. Creative expression has never been safer, easier, or faster!

with 2" wide x 30' long Acid-Free Permanent Adhesive Cartridge

XSCS007 Cheetah 2" Refill Cartridge
2" wide x 30' long Acid-Free Permanent Adhesive Cartridge

Adhesive Stamper

- Precise application
- One squeeze of trigger for half-stamp; two squeezes for full stamp
- Dot matrix pattern avoids "stringing" of the adhesive
- Ergonomically designed for great control
- Refillable
- No gummy mess
- Non-toxic, acid-free
- Easy loading cartridge also fits the Adhesive Runner

XSCS001 Adhesive Stamper
Each full stamp 1/2" wide x 3/8" long, Acid-Free Permanent Adhesive, 720 stamps

Adhesive Runner

- Great for applying a narrow strip of adhesive to die-cuts, paper, photos etc. when and where you need it
- Precise application
- Refillable
- Ergonomically designed for great control
- Dot matrix pattern avoids "stringing" of the adhesive
- No gummy mess
- Non-toxic, acid-free
- Easy loading cartridge also fits the Adhesive Stamper

XSCS002 Adhesive Runner
3/8" wide x 28' long, Acid-Free Permanent Adhesive

Adhesive Runner/Stamper Refill

- Versatile refill fits both the Adhesive Stamper and Adhesive Runner
- 28' long or 670 stamps

XSCS003 Adhesive Runner/Stamper Refill
3/8" wide x 28' long, Acid-Free Permanent Adhesive

Magnet Tape

A Xyron favorite!

- **Magnet tape dispenses easily and can be torn with your hands**
- **Use only as much as you need — no need to buy full sheets**
- **Strong magnetic strength allows the Xyron magnet tape to be thinner than other magnets**

XSDT002 Magnet Tape
1/2" wide x 300" (25') long

Sticky Spots™

Medium Spots
3/8" diameter

Large Spots
1/2" diameter

- **Thin adhesive round dots**
- **Aggressive adhesive**
- **Simple application**

XSDT006 Medium Sticky Spots™
3/8" diameter, 200 spots

XSDT007 Large Sticky Spots
1/2" diameter, 200 spots

Photo Mount Tabs & Slivers

Tabs
Actual Size

Slivers
Actual Size

- **Pre-cut squares of adhesive tabs: simple application**
- **Unique Xyron mount tabs are ROUND on one side and SQUARE on the other side for easy application on curved-edge items**

XSDT010 Photo Mount Tabs

Greetings,

Xyron has been developing and selling innovative, patented products since 1997. Always in touch with market trends, the company has a documented history of developing products that offer unique solutions for both retailer and consumer. We have been able to advance the creative industry through the introduction of disruptive, game-changing products all founded on unique, proprietary technologies.

Continuing the momentum of success, we are excited to share with you an all-new Xyron catalogue. The following pages provide a comprehensive overview of our innovative product offerings. The Creative Station range (page 6-7), which set the industry standard for edge-to-edge adhesive and lamination application without heat, batteries or electricity, continues to have no peers. And one of our newest product platforms, the Portable Professional range (page 4) provides a safe non-toxic alternative to spray adhesive that is easy to use – truly game changing.

All Xyron products are created to reflect our company commitment to Quality, Innovation, Flexibility and Self-Expression. We make it easier to be creative. That is our promise. That is the Xyron brand.

Best Regards,

Everyone at Xyron
